

# FACT SHEET

State Project No. CFHWY00604  
Federal Project No. 0001659

## PROJECT OVERVIEW

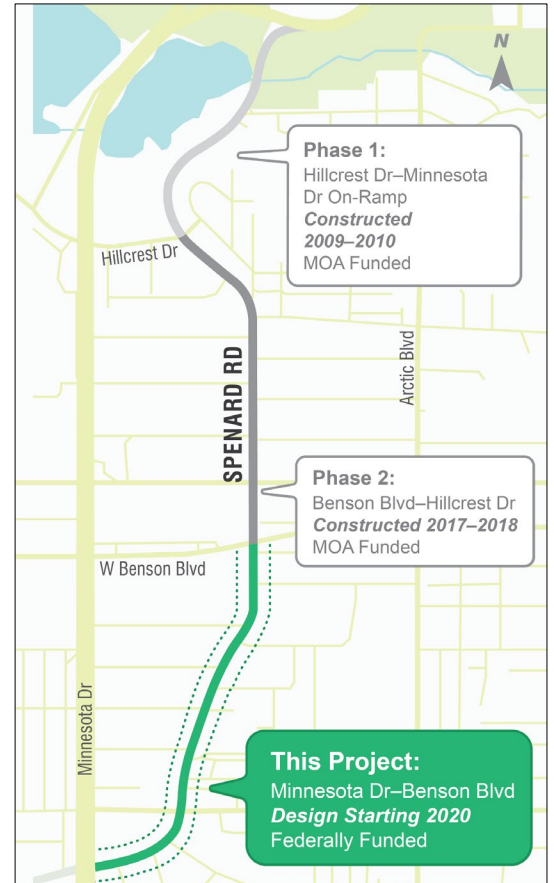

This is the third phase of a longer-term effort to improve the northern segment of Spenard Road. Project design is led by DOT&PF with support from the MOA.

This project will address operational, safety, pedestrian, and transit issues including:

- Concerns about collision rates at intersections along the corridor
- Current pedestrian and transit facilities that are minimal or non-existent

DOT&PF is proposing to rehabilitate this section of Spenard Road to:

- Improve safety for all users
- Bring the roadway and non-motorized facilities up to current design standards
